

## INDIAN TRAILS MISSIONARY OUTREACH

Arizona/Mexico

**Dr. Tom & Sharon Gossett  
(Founders)**

For more than 40 years Indian Trails has been providing spiritual and practical ministry to Native American Indians in the Americas including the southwest and in Mexico. This outreach is under the supervision of Dr. Thomas Gossett, his wife Sharon, and their grown children. The mission of Indian Trails is to share God's redemptive love and compassion with the Indian people.

Programs such as Babylink assures newborns will receive a layette kit provided by Indian Trails. An Elderlink program provides a vital outreach to the elderly. A hunger program provides temporary assistance and the word of God to those in need. Indian Trails provides regular support to indigenous ministers who minister to their people. Programs include: *Indian Reservation Ministries, Mexico Missions, Children's Programs, Bilingual Mission Food Bank, Music Ministry, Puppet Ministry, Naco Training Center provides Systematic Bible Training for young people entering the Ministry*.

Dr. Tom and Sharon Gossett and Staff ask us to unite with them at the *Indian Trails Long Altar*. This imaginary altar stretches from your place of prayer to those of us on the mission field. A real genuine commitment to prayer brings a supernatural endowment of strength and power as well as the blessing to the intercessor of involvement.
