

God has called her Home

We received word from Rev. Joyce Acree, minister of the Federated Church of Demorest, Georgia, that Elizabeth Walters passed away this morning. She is proceeded in death by her husband James Walters, who was for years the president of Piedmont College. A nurse by profession, Mrs. Walters cared for generations of college students as the campus nurse, and also ran the thrift shop supported by Congregational Churches from around the country. Mrs. Walters was the 2008 recipient of the Donna Alexander Memorial Award for her active involvement in the Congregational Way of Life.

Please keep her family in your prayers.
