

REACHING OUT

Indian Reservation youth are struggling. Drugs, alcohol and a growth of Gothics are taking their toll. The suicide rate among these young people is more than double the national average. A group from Florida is preparing to invade the reservation with love and the message of hope and help. Pray for this special outreach that it will have a positive impact.

May God bless you as we strive to be worthy of your prayers and support

Beyond Borders

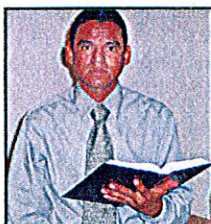

Children's programs are a blessing. During the recent children's day many of the Indian Trails Churches had a special children's program. Chuck and Sharon Philp conducted such a program at the "Colosio Church" in Naco.

HELP...FENCE ME IN

Recent National and International News have brought to attention the dangers in the form of slayings, kidnapping etc in Mexico.

An error occurred in our previous mailing it should read 10 feet is \$58.90 and 100 feet is \$589.00 we are in need of 1,520 feet for a total of \$8952.00

It only makes sense to fence in the Bible Training Center. This is where we need your help.

Thank you for your consideration in this matter. **Dr. Tom Gossett**
