ABOUT OUR STUDENTS

All of our students' have a Hispanic background and are considered to have "fallen between the cracks" of their Hispanic and American blended cultures.

This school year for 2010-2011 we have 24 students enrolled in our program. These children are the first generation in their family to be raised in America, to go to public school, be taught English as a second language, and have a future with vast opportunities.

For many of these students, the interaction they encounter here at Bread of Life Christian Mission is some of the few positive experiences and role models they will have in their life. Most of all, their experience here are about planting seeds of Jesus Christ into their hearts with pure love, kindness, and time dedicated solely to them.

**GOD IS NOT UNJUST; HE WILL NOT FORGET
YOUR WORK AND THE LOVE YOU HAVE SHOWN
HIM AS YOU HAVE HELPED HIS PEOPLE AND
CONTINUE TO HELP THEM.**

HEBREWS 6:10

OUR GOALS

- To spread the love of God
- To share the Word of God
- Help each student develop and improve their:
 - ◆ English
 - ◆ Vocabulary
 - ◆ Arithmetic
 - ◆ Social Conduct
 - ◆ Study Skills
- To encourage them to succeed at their goals and accomplishments

WHAT WE DO

The tutoring program is staffed with volunteer tutors who commit their time each week to help one or more of our students with their homework and academic improvement. With the help of educational games, flash cards, and learning materials our tutors focus on what specific areas their student needs improvement in. After each tutoring session we conclude the afternoon with a 30 minute chapel time teaching the students about God, Jesus, and the Bible.
