

About Heritage Sunday

Heritage Sunday is affirmed each year by the Executive Committee of the National Association of Congregational Christian Churches (NACCC), as a special day to reflect and celebrate the rich and vibrant life of each NACCC member church.

... "This splendid liberty could not exist in a connectional Church, with a denominational book of discipline, a national creed, and a series of judicatories for heresy trials. God be praised for our heritage of covenant. It is the rock of our ecclesiastical freedom."

From "THEOLOGY AND COVENANT IN CONGREGATIONALISM",
by Harry R. Butman, June 1977.
