

## PROCLAIM THANKSGIVING 2018

We thank God...

For Grace and Love

For a fruitful land

For a faithful people

For a place to live our Faith, Freedom and Fellowship.

We give thanks...

For those who have cleared a way before us

For those who inspire us

For those who serve us

For those who sacrifice for us.

We are aware that...

We are not all we can be

We do not do all the good we could

We too often submit to fear

We do not use the courageous examples before us.

We give thanks...

We continue to be called to be a pilgrim people

To go places we've not been before

To sing songs we've not sung before

To meet peoples we've not met before

To think things we've not thought before.

In the year of our God 2018

We are a pilgrim people yet today

God still speaks to us today

God is still with us. Thanks be to God.
