

YEAR ROUND DELEGATE PROGRAM

The primary focus of the Year Round Delegate Program is to ensure that the needs of our churches are being met. *This is your opportunity to help the National Association become a more effective organization for serving your church and other NACCC member churches.*

Each NACCC church should select one person to be the Year Round Delegate (YRD) for their church. This function and responsibility is different than the NACCC Annual Meeting Delegate, although could be the same person.

The YRD from your church will participate in periodic communication with NACCC staff, members of the Leadership Team, and perhaps others. The goal for each church is to have a person who will enter into an exchange of information *with those needing feedback and advice from your congregation.* Communication may be by telephone, U.S. mail or e-mail exchanges (including a monthly YRD Line, E-newsletter).

Responsibilities of the YRD:

- Receive and read the monthly YRD Line E-newsletter (emailed from the NACCC on the 20th of each month) or request a copy via mail.
- Share this information with your church - Read it or provide a summary of it during church service, post it on a bulletin board, etc.
- Respond to the questions and provide feedback to the NACCC.

Please fill out the form below and return to the NACCC via email or mail. If your church doesn't have a Year Round Delegate, please consider selecting one. If you already do have one, we want to make sure our information is correct, and we ask that you fill out the form and return to the NACCC.

Thank you very much.
