

Fishers of Men is an organization of evangelical Christians whose mission is to glorify God by meeting the basic needs of our neighbor while seeking the integral transformation of that person.

Fishers of Men was founded under the Lord's direction by Victor and Julie Zaragoza in 2003. With its ministry headquarters in Mexico, the mission of Fishers of Men is carried out through two different facets of ministry: Evangelistic Medical Mission Crusades and Refuge Ranch.

### Evangelistic Medical Mission Crusades (EMMC)

are weeklong crusades, complete with doctors, dentists, hair stylists, children's workers, cooks, and general volunteers that seek to meet the physical needs present in poverty-stricken regions throughout Mexico in order to more effectively address the spiritual needs of the people. The Good News of Jesus Christ is shared individually with each person that attends the crusade. Fishers of Men works closely with local churches and missionaries to ensure the follow-up and discipleship of the new believers.

**Refuge Ranch** is a home, headed by Victor and Julie, for abandoned children. As part of a loving Christian family, the children find the love, nurture, freedom and structure necessary to become all that God wants them to be. The Zaragoza family consists of three biological children, 14 under guardianship, and one in heaven. Construction is currently underway on a new home with a capacity for more children.
