## NAIROBI, KENYA

### Our Mission

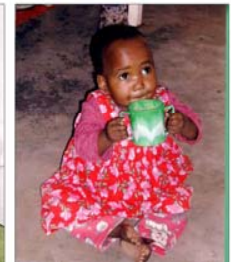

Providing the abandoned children of Kenya a Home and a Hope for Adoption.

"We are overwhelmed as to what the Lord is doing at our small Home on the outskirts of Nairobi. Never did we ever dream that our God would bless us with this opportunity to provide a home and the hope of adoption to these precious abandoned babies. Our dependence is on the Lord to be the Architect and the Master Builder. We also depend on each one of you to be willing laborers in service to the Lord."

U.S. Director, Rev. Jim Powell

Currently there are 35 abandoned children at Happy Life and another 27 children living with their Parents-to-be" awaiting completion of the adoption process. Thirteen children have been adopted!

The Lord has been gracious in providing the "Fruit of our Vision".
