### Pilgrim Center for Reconciliation Minneapolis, MN

In a recent Training Retreat for South Sudanese Leaders in Mayo, 21 leaders from 6 different tribes were trained to bring the message of reconciliation to multiple regions. These are leaders who will help influence the future of this beautiful country in the name of Jesus Christ. As one leader testified:

*"Little did I know that it was God's plan for my breakthrough on January 26th, 2019. During one of the reflection times I came out with my bottle of water, my Bible, and my books to a place under the mango tree. Then the Lord spoke to me, "you need more of me and need to be rooted in me." When it came to the group prayer time, I then presented my burning issue to Jesus Christ and as the group prayed for me God healed me immediately. Now I have been relieved, restored, and renewed and I am so grateful! I can hear God again!"*
