

Working the Workshops
NACCC 2019 Annual Meeting & Conference
Cleveland Airport Marriott
June 22 – 25, 2019

The following can be helpful in putting together your workshop strategy. Here are a few suggestions for your consideration:

- Each workshop will be presented twice with three exceptions. Peggy Bendroth’s two workshops and Charles Warnock’s The Promising Future of Small Churches will be presented only once.
- If there are two or more members of from your church in attendance, divide up the workshops so your church can get feedback on as many workshop as possible.
- Take notes, collect as much information as you can and bring it back to your congregation.
- Put your workshop feedback in the form of a report or church newsletter article for the benefit of members of your church who were not able to attend the annual meeting.
- The Bible Lecturer, Congregational Lecturer, and the Promising Future of Small Churches Workshop are being recorded and will be available following the annual meeting. These video recordings will also be available to your congregation.
