

The Hurting Churches Fund Endowment

What is The Hurting Churches Fund?

- This Endowment was created to help the member churches of the National Association of Congregational Christian Churches (NACCC) through challenging times. The Morgan Park Hurting Churches Fund and 21st Century Pilgrim Club fund were consolidated to create *The Hurting Churches Fund Endowment*.
- Churches are encouraged to apply for funds as identified by their church, however, examples of needs are:
 - Emergency capital or operations support
 - Consultation expenses on matters of critical importance to the church
 - Emergency funds when a pastor is ill or incapacitated

How to Apply

- You must be an active NACCC member church.
- Grants are made for one-time expenses rather than recurring expenses or long-term commitments.

- An itemized estimate from a vendor is required for projects that involve construction or material purchases.
- Grants up to \$2,500 per application are available. Repeat applications cannot be made within a 12-month period. A lifetime maximum of \$10,000 per church is imposed.
- Approval of grants is made by the Growth Ministry Council (GMC) and are based on the recommendation from The Hurting Churches Fund Task Team.

- To submit your application, follow the instructions provide on the form.
- Recipients of grants may be asked to provide a summary of how the project proceeded, including pictures and an evaluation of its success.
