A Christian Ministry in the National Parks (ACMNP) is a grassroots, student-led ministry that began in 1951 with the goal of providing Christian community in national parks.

Since 1951, over 17,000 ACMNP alumni have led more than 100,000 worship services in US national parks!

ACMNP has always been a ministry in rather than to the national parks, offering worship services, Christian leadership training, and evangelism in park communities.

ACMNP lives its mission by sending roughly 150-200 ministry team members into 75 locations in 45 national parks from Alaska to the Virgin Islands.
